Israel's Three Blessings to the World

Ezekiel 38:8, 11

“⁸ After many days you will be summoned; in the latter years you will come into the land that is restored from the sword, whose inhabitants have been gathered from many nations to the mountains of Israel which had been a continual waste; but its people were brought out from the nations, and they are living securely [*batach*], all of them...¹¹ and you will say, ‘I will go up against the land of unwalled villages. I will go against those who are at rest [*shacat*], that live securely [*batach*], all of them living without walls and having no bars or gates.”

Isaiah 28:15, 18

“¹⁵ Because you have said, “We have made a covenant with death, And with Sheol we have made a pact. The overwhelming scourge will not reach us when it passes by, For we have made falsehood our refuge and we have concealed ourselves with deception.”... ¹⁸ Your covenant with death will be canceled, And your pact with Sheol will not stand; When the overwhelming scourge passes through, Then you become its trampling place.”

Daniel 9:27

And he will make a firm covenant with the many for one week, but in the middle of the week he will put a stop to sacrifice and grain offering; and on the wing of abominations *will come* one who makes desolate, even until a complete destruction, one that is decreed, is poured out on the one who makes desolate.

Deuteronomy 33:24

“Of Asher he said, ‘More blessed than sons is Asher;
May he be favored by his brothers, And may he dip his
foot in oil.’”

The Innocents Abroad, Complete, 1st ed. (A Public Domain Book, 1869),
267, 285, 302. These quotes can be found in chapters 47, 49, 52.

“... A desolate country whose soil is rich enough, but is given over wholly to weeds... a silent mournful expanse... a desolation is here that not even imagination can grace with the pomp of life and action... we never saw a human being on the whole route... there was hardly a tree or shrub anywhere. Even the olive tree and the cactus, those fast friends of a worthless soil, had almost deserted the country.”

(Chicago: Moody, 1969; reprint, Chicago: Moody, 1984), 222-23.

“What is it that will allow for the coalition of nations to descend upon and invade the Holy Land?...The plan will be devised because of one important feature of Israel’s occupation of their ancestral home: their wealth...How much we hear today on all sides of national security, social security and financial security. Men’s minds are occupied with plans for security. Thus, the enemy will see the opportunity of the day to invade, overrun with ease and come off with a handsome prize, for the returned people will have come with much wealth (cf. Isa. 60:5–9). . . .

. . .The enemy, greedy of Israel's wealth, will embark on a campaign quest for gain. It is now common knowledge that the deposits of mineral wealth in the Dead Sea are the greatest in the world. The envious eyes of the foe will not be denied longer; the hour when Israel lives without fear of attack and will be considered the most auspicious for the invasion and plunder."

THE ROTHSCHILD'S PALESTINE, ALL ROADS LEAD TO JERUSALEM

<http://www.matterofprinciple.net/011/11/rothschilds-palestine.html> (accessed December 15, 2011). Although there is a wide variation of estimates, many different sources estimate the mineral wealth of the Dead Sea in the trillions of dollars.

“The value of the minerals of the Dead Sea is estimated at five trillion dollars. This estimate appears to be optimistic but it is supported in part by the report of the Crown Agents of the British Colonies entitled ‘Production of Minerals From the Waters of the Dead Sea’.... This official report estimates the minerals, except oil, in 1925 as follows: Magnesium Chloride, 22,000 tons, value 600 billion dollars; Potassium Chloride, 20,000 tons, value 75 billion dollars; other minerals valued at 1,200 billion dollars; or a total of about three trillion dollars, exclusive of oil.”

Todd Strandberg

“Could Israel Become a Major Oil Exporter,” online: www.bibleprophecy.com, accessed 26 May 2015.

In the summer of 2010, "...huge deposits of natural gas were found along Israel's northern coastline...Israel is actually sitting on top of a vast amount of oil. According to Harold Vinegar, the former chief scientist of Royal Dutch Shell, the Shefla Basin holds the world's second-largest shale deposits outside the United States, from which around 250 billion barrels of oil—about the same as Saudi Arabia's proven reserves...Estimates of global deposits range from 2.8 trillion to 3.3 trillion barrels of recoverable oil...The technology curb has now reached the point where shale is becoming an exploitable resource...the Shefla shale is in a hospitable location. It also contains oil of the light, sweet variety that is easy to refine into gasoline or other common end products. Most of all, the Jews have proven themselves to be very talented at exploiting resources. If they can't make shale oil work, I doubt any nation can.”

OIL DISCOVERY IN ISRAEL?

Globes Correspondent, "Huge Oil Discovery on Golan Heights," online: <http://www.globes.co.il/en/article-huge-oil-discovery-on-golan-heights-1001071698>, accessed 09 October 2015.

"Israel consumes 270,000 barrels of oil per day. Although the existence of the oil in the ground is a fact, the critical phase now is to check how easily it can be extracted and whether it involves high production costs. In a period of very low oil prices, extraction will have to be relatively cheap to make exploitation of the field profitable. Just as Israel's offshore Mediterranean gas discoveries have created an entire energy industry, so the Golan oil find could also generate a new industry around it. But while the gas has been found dozens of kilometers from Israel, the Golan find is much closer...Bartov said, "There is enormous excitement. It's a fantastic feeling. We came here thinking maybe yes or maybe no and now things are really happening."

"After more than a year of round-the-clock drilling, large amounts of oil have been found on the Golan Heights. Estimates are that the amount of oil discovered will make Israel self sufficient for very many years to come. Afek Oil and Gas chief geologist Dr. Yuval Bartov told Channel 2 News, "We are talking about a strata which is 350 meters thick and what is important is the thickness and the porosity. On average in the world strata are 20-30 meters thick, so this is ten times as large as that, so we are talking about significant quantities. The important thing is to know the oil is in the rock and that's what we now know." Three drillings have so far taken place in the southern Golan Heights which have found large reserves of oil. Potential production is dramatic - billions of barrels, which will easily provide all Israel's oil needs..."

“Despite a population of only slightly more than 7 million people...Israel is now home to more than 7,200 millionaires...Of the 500 wealthiest people in the world, six are now Israeli, and all told, Israel's rich had assets in 2007 of more than \$35 billion dollars... Israel's GDP is almost double that of any other Middle Eastern country.”

“An interesting phrase is employed to define the place where God’s people will be dwelling. It is called the middle (literally, the navel) of the earth as explained in 5:5. The land of Israel is in the center of the earth as far as God’s purposes for the world are concerned (cf. Deut. 32:8). Rabbinic literature states: ‘As the navel is set in the center of the human body, so the land of Israel is the navel of the world...Situated in the center of the world, in Jerusalem in the center of the land of Israel, and the sanctuary in the center of Jerusalem, and the holy place in the center of the sanctuary, and the ark in the center of the holy place, and the foundation stone before the holy place, because from it the world was founded.’ Midrash, *Tanachma, Qedoshim*.”

Tarshish = Spain

Ryrie Study Bible, p. 1,421.

The Ryrie Study Bible indicates that Tarshish “is located in the S of Spain near Gibraltar, 2,500 mi. (4,000 km) W of Palestine [or Israel] and the opposite direction from Nineveh.”

Young Lions = Western Nations

Mark Hitchcock, *After the Empire: Bible Prophecy in Light of the Fall of the Soviet Union* (Wheaton, IL: Tyndale, 1994), p. 101.

“Young lions are often used in the Scripture to refer to energetic rulers. Therefore, the young lions who verbally oppose Gog’s invasion are strong military and political leaders who act with Tarshish...It was in the farthest west regions of the known world, in Spain. As we know, Spain is in modern Europe. Tarshish, or modern Spain, could be used by Ezekiel to represent all of the western nations whom Saudi Arabia will join with in denouncing this invasion.”

Ezekiel 38:13

“Sheba and Dedan and the merchants of Tarshish with all its villages will say to you, ‘Have you come to capture spoil? Have you assembled your company to seize plunder, to carry away silver and gold, to take away cattle and goods, to capture great spoil?’”

“The young lions of Tarshish are taken to mean either the strong leaders and princes or greedy rulers of these commercial communities.”
