

Family Activity #4

- What are some of the most important things God has brought to your mind as a result of this seminar?

- If you were to rank these topics in order of importance for you right now, what would the priority be for each item? (You can use the number **1** to mark the first/highest priority item, followed by **2, 3, 4 ...**) Circle the top three items you think God would have you focus on in the near future.

- Where is your family on the time scale of "Preparation for Marriage" and what direction do you think God would have you go from where you are?
